NOTICE

The Braintree Selectboard has promulgated an ordinance limiting the use of Stagecoach Road, a Town Trail, that runs northerly from the Randolph town line to the north end of the Poulin Property to non-motorized use, in accord with the October 2015 decision on the reclassification of the highway to a trail. The ordinance will become effective on the 60th day following the vote unless a petition signed by five percent of the voters is submitted to the Selectboard within 44 days of the vote by the Selectboard, requesting a vote on the question of whether the ordinance shall be disapproved.

If a petition is received within those 44 days, the Selectboard will call a special meeting of the voters to consider the question of whether the ordinance shall be disapproved. If the vote is to disapprove the ordinance, the ordinance will not take effect; if the vote is against disapproval, the ordinance shall take effect immediately.

More information can be obtained about the ordinance from Holly Jarvis, who may be reached by writing her c/o the Selectboard, 932 VT-12A, Braintree, Vermont 05060 ((802) 728-9787).
